

TORLYS Nailed it!

Breakthrough Innovation TORLYS Easy-Nail

Best joint everytime when you nail down a TORLYS Smart Floor with UNICLIC® Technology.

Easy-Nail Advantages

- Faster set up, easier starts
- Perfect precision fit every time
- No face-nail or end-joint glue
- No chalk line
- Flush floors throughout. No speed bumps
- No additional substrate

Float It, Nail It, Glue It!

TORLYS Smart Floors are BEST-in-CLASS for all subfloor applications, with one solution for all levels of the home: above and on grade – nail or float – and below grade - floating.

TORLYS Smart Floors + Easy-Nail System
