Warranty

SuperSolid Hardwood has a 25-Year Wear Warranty and a Lifetime Structural Warranty for residential use. A 5-Year Light Commercial and Lifetime Structural Warranty applies to light commercial applications. A Radiant Heat Warranty applies to all SuperSolid Hardwood.

Radiant Heat Safe

SuperSolid Hardwood can be installed over radiant heat, guaranteed. Refer to Radiant Heat Installation Instructions for more information.

Best-in-Class Coating

The very latest nano-particle finish technology from KLUMPP. Since 1919, this industry-leader has provided the ultimate in wear-resistant, superior gloss retaining finishes.

Built for Life in North America

SuperSolid Hardwood out-performs solid wood across a much larger range of relative humidity, from 20-70% RH. As a general rule for comfortable living, it is recommended to maintain the RH in your home between 40 and 60%.

TORLYS is a member of the Canada Green Building Council, an association dedicated to the design and construction of green buildings in Canada.

Stunning.

You've Never Seen Hardwood Like This.

Long wide planks. With 100% hardwood core for stability and long-lasting performance, finished beautifully with Best-in-Class Klumpp top-coat.

Sustainable.

Better Floors For a Better World.

All hardwood – with a smart-cut hardwood core and precision-engineered to reduce environmental impact.

Superior.

E-Lock Hardwood Inside.

What you don't see makes a difference. TORLYS patented E-Lock Hardwood core is innovative engineering that ensures superior performance for decades.

Cup, Gap & Crack Resistant

E-Lock core and quality dry-sawn top layer resists gapping, cracking and splitting – extra-durable for any climate.

Install in All Levels of Your Home.

SuperSolid Hardwood can be installed above, on or below grade – even over radiant heat.
