

# Largo Laminate

Extra long and wide planks create depth and an extra sense of space for a more natural, expansive hardwood floor look.

**Long, sweeping sections of wood grain in each plank create a dramatic yet comfortable effect.**

3/8" (T) x 8-1/16" (W) x 80-11/16" (L)  
9.5 mm (T) x 205 mm (W) x 2050 mm (L)

- Beautifully styled and sophisticated in extra long and wide planks.
- Warm and welcoming with subtle elegance and texture.
- Bevelled edges – 4 sides.
- Extra-wide plank.
- Now can be installed transition free on floors up to 50'x50'.

These TORLYS Laminate Floors have earned the North American Laminate Flooring Association (NALFA) Certification Seal by passing a series of rigorous tests designed to evaluate the floor's performance, durability, strength and overall quality. You can be assured that you're getting the best quality the industry has to offer.

**LEED**<sup>®</sup>

TORLYS Smart Floors can assist in acquiring LEED<sup>®</sup> certification for most building projects. Please visit [www.torlys.com/builder/leed/leed-guide](http://www.torlys.com/builder/leed/leed-guide).

TORLYS is a member of the Canada Green Building Council whose mission is to lead and accelerate the transformation to high-performing, healthy green buildings, homes and communities throughout Canada.

### Why Smart Laminate?

Superior performance is built in to every TORLYS Smart Floor:

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping when 30-60% humidity is maintained. No other joint outperforms TORLYS Uniclic® Joint.
- Move It and Re-use It — every TORLYS floor can be disassembled and re-used in another room or home.

### TORLYS Transition Free Installation System

TORLYS Largo Laminate now offers the one and only Transition Free Installation System up to 2500 SF with no “speed bumps”! This means no more transitions in doorways or long

hallways, allowing you to create a flawless look from one room to another for a completely seamless installation. Please see TORLYS website for specific installation instructions.

### Smarter Use of Natural Resources

Do more with less — TORLYS Laminate Floors are made in Europe and North America. North American produced Laminate floors contain no less than 74% recycled and fast growing softwood from managed forests for its high density Smart Core.

### AC Rating: AC4

Flooring is fit for commercial operations with standard amounts of foot traffic such as a small shop or office.

### Smart Uniclic® Joint Technology

TORLYS Smart Uniclic® Joint Technology has one of the strongest possible joints in flooring today. Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary joint stress — more than 1,000 lbs of pressure

per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

### Healthy Home

TORLYS Largo Laminate is CARB 2 (California Air Resources Board) compliant and meets the Healthy Home requirements set by the European (E1) and California Dept. of Public Health Services Standard Practice for The Testing of Volatile Organic Emissions from Various Sources Using Small-Scale Environmental Chambers, referred to as California Section 01350.

### TORLYS Bulldog™ Easy Plank Replacer

TORLYS Bulldog™ Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor without sanding or refinishing.
