

# Enrique Laminate

One of the most advanced laminates, Enrique offers realism at its best – truly innovative and dramatic. Enrique also includes a brand new waterproof warranty!\*

1/2" (T) x 7-1/2" (W) x 54-11/32" (L)  
12 mm (T) x 190 mm (W) x 1380 mm (L)

- Luxurious planks featuring authentic looks with surface colour design that rolls over the edges.
- Deeply embossed textures with the ultimate attention to detail for a distinctive feel.
- Rolled bevel edges.
- Ultra-realistic 12 mm planks.
- Now can be installed transition free on floors up to 50'x50'.

**TRANSITION FREE**  
INSTALLATION SYSTEM

## Introducing Waterproof Laminate

Enrique revolutionizes laminates, marrying the beauty of wood with high performance in a waterproof floor thanks to the innovated technologies of HydroSeal, Uniclic® and GenuEdge™.

1. **Uniclic® locking system**, the tightest, strongest joint on the market with pre-tension designed to keep water out of the joint and keep it on the surface
2. **GenuEdge™ Technology** color rolls over the edge and into the bevel, sealing all edges, keeping water out of the joint and core.
3. **HydroSeal water-repellent** edge coating keeps water from penetrating the HDF core.

\* Fully waterproof when installed with a perimeter seal, see website for full warranty and installation information.

BUILDER

beauty.  
defined.

URBAN CONCRETE OAK  
QS-IMUS1861

These TORLYS Laminate Floors have earned the North American Laminate Flooring Association (NALFA) Certification Seal by passing a series of rigorous tests designed to evaluate the floor's performance, durability, strength and overall quality. You can be assured that you're getting the best quality the industry has to offer.

LEED®

TORLYS Smart Floors can assist in acquiring LEED® certification for most building projects. Please visit [www.torlys.com/builder/leed/leed-guide](http://www.torlys.com/builder/leed/leed-guide).

TORLYS is a member of the Canada Green Building Council whose mission is to lead and accelerate the transformation to high-performing, healthy green buildings, homes and communities throughout Canada.

# Envique Laminate Flooring

## TORLYS Peace of Mind Assurance Warranty

TORLYS Envique Laminate has a 35-Year Residential Wear, Water, Stain and Fade Warranty and a Lifetime Structural and Joint Integrity Warranty for residential use. A 7-Year Limited Wear, Stain and Fade and Structural and Joint Integrity Warranty applies to light commercial applications. See [www.torlys.com/builder](http://www.torlys.com/builder) for details.

*\*Note: The Envique collection is now covered by a full Waterproof Installation Warranty. Contact TORLYS for details.*

### Why Smart Laminate?

Superior performance is built in to every TORLYS Smart Floor:

- A transparent overlay of extremely wear resistant melamine resin and aluminum oxide that is warranted for up to 35 years.
- Patented Uniclic® Joint resists ugly gapping when 30-60% humidity is maintained. No other joint outperforms TORLYS Uniclic® Joint.
- Move It and Re-use It — every TORLYS floor can be disassembled and re-used in another room or home.

### TORLYS Transition Free Installation System

TORLYS Envique Laminate now offers the one and only Transition Free Installation System up to 2500 SF with no “speed bumps”! This means no more transitions in doorways or long hallways, allowing you to create a flawless look from one room to

another for a completely seamless installation. Please see TORLYS website for specific installation instructions.

### Smarter Use of Natural Resources

Do more with less — TORLYS Laminate Floors are made in Europe and North America. North American produced Laminate floors contain no less than 74% recycled and fast growing softwood from managed forests for its high density Smart Core.

### AC Rating: AC4

Flooring is fit for commercial operations with standard amounts of foot traffic such as a small shop or office.

### AC Rating: AC3\*

Flooring is durable enough for general home use in all traffic areas, and can be used in a professional setting with light foot traffic.

### Smart Uniclic® Joint Technology

TORLYS Smart Uniclic® Joint Technology has one of the strongest possible joints in flooring today.

Constant lower lip pressure creates the tightest joint and is tested to withstand extraordinary joint stress — more than 1,000 lbs of pressure per linear yard is needed to pull apart two TORLYS planks. The joint is also milled to 1/1000 of an inch for the most exacting fit.

### Healthy Home

TORLYS Envique Laminate is CARB 2 (California Air Resources Board) compliant and meets the Healthy Home requirements set by the European (E1) and California Dept. of Public Health Services Standard Practice for The Testing of Volatile Organic Emissions from Various Sources Using Small-Scale Environmental Chambers, referred to as California Section 01350.

### TORLYS Bulldog™ Easy Plank Replacer

TORLYS Bulldog™ Easy Plank Replacer allows you to replace a damaged plank, not your entire floor. No glue. No nails. No staining. You can fix major mishaps quickly and easily, and renew your floor without sanding or refinishing.

\*QS-IMUS1860 and QS-IMUS1861 are AC3. All other Envique products are AC4.
